This image shows the proposed login interface. It is similar to the current one but simplified. It removes the password field and the 'SIGN IN' button, replacing them with a 'SEND MAGIC LINK' button. A hand icon is shown clicking the button. A red rectangle highlights the email field. The footer remains the same.

The screenshot displays the Silk Sky Air dashboard. The top navigation bar includes the Silk Sky Air logo and links to 'Dashboard' and 'Bookings'. The main content area shows a booking overview for 'Advance Aviation Helipad' on '2026-05-31' at '12:00' for '2 Adults' with a 'TOTAL FARE' of '฿28,000'. Below this, there are two passenger cards: 'PASSENGER 1 Panpaporn W (Test)' with a progress indicator '3/4' and 'PASSENGER 2 Passenger 2' with a progress indicator '1/4'. At the bottom, there are three action cards: 'Change Tour' (Phuket's West Coast & Phromthep Cape), 'Change Date & Time' (2026-05-31 · 12:00), and 'Manage Passengers' (2 Passengers). A modal titled 'Edit Passenger' is open on the right, showing fields for 'Middle name', 'Last Name *' (W (Test)), 'Date of Birth' (31-May-1999), 'Nationality' (TH Thai), and 'Weight Range *' (50-90 kg). The modal also includes a 'PASSPORT DATA PAGE' section with an 'Upload Passport Photo' button and a 'Cancel' button. A red arrow points from the 'Weight Range' field in the modal to a bullet point below.
